

## OFFICE DOCUMENT SHREDDERS

# 2127

Attractive design, easy-to-use, extremely safe operation – ideal for small work groups

- large volume for the shreds (100 litres)
- “SPS“ safety package (Safety Protection System):
  - electronically controlled safety flap in the feed opening as additional safety element
  - electronic door protection with magnetic switch
  - automatic reverse in case of paper jam with automatic cut-off
  - automatic stop if the shred bag is full
  - double motor protection against overheating
- multifunction control element “EASY\_SWITCH“ with integrated optical indicators for the operational status of the shredder
- automatic start and stop via a photo cell
- 260 mm feed opening, suitable for convenient shredding of A4 continuous forms with tractor feed margins
- quiet but powerful 580 Watt motor
- high-quality wooden cabinet, mobile on castors
- bag frame for mounting disposable shred bags
- paper clip proof, solid cutting shafts from special hardened high-quality steel
- guarantee on the solid Lifetime steel cutting shafts
- suitable for safe shredding of CDs (with 4 mm strip cut version)
- shred speed 0.1 m/sec
- attractive colour combination: silver / dark grey
- quality “Made in Germany“
