

# HSM-V-Press-60

## HSM V-Press 60 vertical baling press

The mobile baling press HSM V-Press 60 compresses plastic film and lightweight packaging material right where the material is.

# HSM

## Product information

The used packing material is fed into the HSM V-Press 60 immediately after unpacking and does not need to be transported to interim storage. Effortless to operate with a minimum amount of strength. Does not need any electricity, servicing or maintenance. Bales produced can be re-pressed in hydraulic HSM baling presses i.e. compressed into denser and larger bales.

## Technical Data

<b>Order number:</b>	6201111	<b>Number of strappings:</b>	3
<b>EAN</b>	4026631036016	<b>Type of consumables:</b>	Twine
<b>Loading height:</b>	1015 mm	<b>Press material:</b>	Plastic film
